

PUBLIC NOTICE

The Neosho County Appraiser's Office will be conducting its annual reinspection of properties within the following areas over the next few months, pursuant to PVD Directive #11-043, in accordance with K.S.A. 79-1476:

Rural areas

- Chetopa Township (Anderson Rd to east side of Irving Rd between 70th & 130th)
- Erie Township (east side of Irving Rd to west side of Queen Rd between 130th & 190th)

Cities

- Thayer (all)
- Erie (all)
- Chanute:
 - east of Santa Fe Ave to east city limits (between 14th and 35th)
 - east of Lafayette St to west side of Santa Fe Ave (between 7th and 14th)

There will be no set schedule for when field staff will be in your area, but all necessary precautions shall be taken while we are on or near your property. As always, we do attempt to make contact while on the property to confirm that our information is up to date by knocking at your door. In the interest of public safety, and that of our field staff, a proper distance will be maintained during any interaction between them and the taxpayer.

While on your property you may see our staff measure your structures, take photos of the front and rear of the house, and if there is no one home, leave a questionnaire that may be returned by mail.
